TO-MORROW CO-OPERATIVE BARGAIN DAY IN PARIS

To-morrow is July Co-operative Bargain Day. Pages six and seven of this issue are devoted to the display adds of the Paris merchants, who are offering the July bargains. Nearly every line of merchandise is represented, and every offer is an attractive bargain. Paris is not a manufacturing town, not an industrial community, but it is one of the most advantageous merchandising centers in Central Kentucky. Paris merchants realize this fact, and have sought to make their stores attractive with a class of merchandise second to none in Kentucky.

Wednesday is a day of careful and conservative buying. The opportunity is offered by a sufficient number of merchants with such a variety of merchandise that a special shopping trip to Paris on Wednesday will prove profitable. The Commercial Club has insisted that every article offered on this bargain day must be at a real bargain price. Every merchant advertised in "Co-operative Bargain Day" has responded with a readiness and willingness to eliminate all profit on the article advertised for Wednesday. This profit is yours if you are wise enough to take advantage of the opportunity.

JUNE TERM BOURBON CIRCUIT COURT

The June term of the Bourbon Circuit Court convened yesterday morning, with Special Judge James C. Dedman, of Cynthiana, presiding, in place of Judge Robert Lee Stout. Judge Stout's physicians having recommended for him a change of climate he will leave, with Mrs. Stout, this week, for California for a complete rest from all business cares. Commonwealth's Attorney Victor Bradley was at his post, assisted by County Attorney David D. Cline.

After the court officials had been sworn in the grand jury was empaneled and sworn in. The jury is composed of the following: Frank M. Clay, foreman; Frank Daniels, Lew Taylor, Thos. W. Spicer, L. D. Redmon, W. K. Dudley, Henry Boardman, Joe Botkin, J. G. Denton, Telford Burnett, Mack Grimes, John S. Kennedy.

Judge Dedman delivered the usual charge to the grand jury and admonished them to be especially vigilant in investigations of all forms of law violations. The jury then went into session. After the usual motion hour the court adjourned until this morning at nine o'clock.

There are about fifty Commonwealth cases on the docket, thirty of which will be ready for trial. There is also a large number of equity cases.

THE LATEST IN LOCAL FISHING "YARNS"

Former Traffic Patrolman McGoldrick is authority for this one on Chief of Police Fred Link:

"When I was first placed on the force as traffic cop I was told to get my badge from Chief Link. I went to him and was told to accompany him to his home, where he had an assortment of police shields. He had been boasting of what a good memory he had. Finally he asked Mrs. Link where the badges were, and told he ought to know, as he had put them away somewhere himself. And, in spite of Fred's good memory, Mrs. Link had to search for and find the badges.

"Sometime ago Fred went fishing and caught a good string of fish, which he placed in his minnow bucket and put in the creek. When he returned to town, we asked him what luck, and where his fish were. To his amazement he discovered that he had come away and left the whole outfit in the creek. That's something for a man with a good memory, eh?"

Joe Ciconia, with the Benedetti confectionery, is an ardent fisherman. Joe will go, whether the weather is good or bad. He goes early and late. The other day he took Mr. Frank Benedetti, Sr., with him on a fishing trip to Garnett, below Cynthiana. Mr. Benedetti weighs considerably in the neighborhood of two hundred or more, and his end of the boat was down in the water, while Ciconia looked like being up in a Ferris wheel. Suddenly there was a mighty tug at Mr. Benedetti's line. He heaved, and called to Ciconia: "Hold the boat, Joe, it's a whale!" Ciconia went to his assistance. Together they heaved on the line, and suddenly there appeared at the top of the water—a gunny sack filled with six poor little drowned puppies! "Let's quit and go back to Paris, Joe," said Mr. Benedetti. And Joe thought it was about time.

WILL OF MRS. PHOEBE SHACKLEFORD PROBATED

The last will and testament of Mrs. Phoebe A. Shackelford, of Paris, was probated in the County Court before Judge George Batterton, last week.

Misses Anna and Emily Thomas, of Frankfort, who were named in the will as administrators, presented a letter declining to accept the trust. Judge Batterton appointed the Bourbon-Agricultural Bank & Trust Co. to act as administrator of the estate. Vice-President Buckner Woodford, representing the bank, accepted the trust, and gave bond in the sum of \$4,000, no surety being required.

Judge Batterton appointed Woodford Spears, Wm. M. Goodloe and John F. Davis to appraise the estate.

LIGHTNING KILLS SHEEP

During the severe storm which prevailed Saturday afternoon lightning struck a tree on the farm of Wm. and Boston Harp, near Paris, killing thirty-five sheep and a mule, which had taken refuge from the storm. Several points in the county were hit hard by the storm. Considerable damage was done to tobacco, corn and gardens.

COMMISSIONER RETURNS ADVERSE DECISION IN OIL CASES

The cases of the Bourbon Oil and Development Co., and the Co-operative Land and Development Co. and the Mutual Oil and Refining Company, against stockholders have been decided by Special Master in Chancery Charles Wiard, at Frankfort. The case of the Mutual Oil and Development Co., was dismissed and the other two cases were referred to the Federal Court at Lexington. The news came to Paris in a telegram to Special Accountant J. Hooker Stivers from Attorney J. A. Edge, of Lexington, attorney for the two companies.

Attorneys in the case have been acting in concert with C. C. Bosworth, of Lexington, and attorney Edge in opposing all claims filed against the Bourbon and Co-operative companies believed by Receiver Bosworth to be unjust. The case has been in the hands of a commissioner for several months. Hearings have been held in Paris, Lexington, and in Knoxville, Tenn. Stockholders in Bourbon, Nicholas and Fleming were represented by Judge Denis Dundon, E. M. Dickson, S. C. Holmes and John P. McCartney, respectively.

The ruling of Commissioner Wiard lifts a great burden from the stockholders of the two companies. Some months ago Mr. Wiard rejected claims amounting to nearly \$70,000. If this recent ruling is sustained by Judge Cochran it means that the stockholders of the companies have been saved at least \$190,000, which otherwise would have to be paid by assessment on their stock, which was purchased at less than par.

Y. M. C. A. NOTES

There was much excitement at the Y. M. C. A. building Saturday night when the crowd gathered to await the final announcement of the winning team and the individual winners. At 8 o'clock Mr. J. T. Tucker, Chairman of the Membership Committee and Captain of the Men's team, announced that his team had secured 420 points and the Women's team 740. Captain Edith Stivers won individual honors, securing 410 points. Each was awarded a \$5.00 prize. Following the report the boys served the women ice cream, and then washed the dishes, Captain Tucker serving Captain Stivers first. Following the refreshments Mr. Tucker thanked the workers and gave a little talk on the four-fold purposes of the Y. M. C. A., namely the all round development of the young people of the county.

The following are the point winners: Women's Division—Captain Stivers, 410, Mrs. Frank Farmer, 130, Mrs. Willie Barnett, 80, Mrs. Joanna Clare, 20, Miss Willie Fisher, 20, Miss Irene Bramblett, 20, Miss Eleanor Lytle, 10, Miss Rebecca Collier, 10, Mrs. Douglas Thomas, Jr., 10, voluntary, 30. Heartened and encouraged by their 4 to 3 victory over the Winchester team in the game at Winchester, Saturday afternoon, the Paris Mammoths took a fall out of the Maysville team at Maysville, Sunday afternoon, by the one-sided score of 15 to 4. A special train of five coaches carried a large delegation of Paris and Maysville fans to witness the contest, and the presence of the "home boys" aided materially in getting the Mammoths on their stride. The game was one of the stormiest of the season, and was the fourth defeat the leaders have met so far. Shaw and Einemann, of the Maysville twirling staff, were batted all over the lot, while the Paris base runners were further aided by thirteen errors on the part of Maysville. Ciconia, Paris center fielder, led the batting, collecting five hits, two of which were home runs. The opposing batteries were: Miner and Macke, for Paris; Shaw, Einemann and Connolly for Maysville. Paris started the fun by getting one run in the first inning, five in the third, two each in the fifth and sixth and five in the last frame. The game went two hours and forty minutes and was umpired by Marrs.

The Methodists, leaders in the Church League race, added another to their string of victories Friday afternoon by trouncing the Christians by the score of 26 to 11. The opposing batteries were, Owens and Caywood for the Methodists, and Rogers and Blake for the Christians.

The Baptists and Methodists will play on Hancock Field at 3:30 this afternoon. On account of the Thursday closing arrangement the game scheduled for Friday between the Presbyterians and Christians has been changed to Thursday afternoon.

In a game full of thrills and good points the Paris Mammoths took the game from Winchester at Winchester, Saturday afternoon, by the narrow margin of one run, the final score standing 4 to 3. The game required an extra inning to finish, the score being tied in the ninth, Paris putting the winning run across the rubber in the tenth. McCord, recently resigned by Paris, and Wills, new manager, were on the hurling staff for Paris, while Macke took care of the receiving end. The Winchester battery was composed of Tavener, Vallandingham and Frazier. The game went two hours and thirty-five minutes, and was umpired by "Scotty" Marrs.

At a meeting of the Board of Directors of the Paris Club, held Friday night, B. F. Goodman presented his resignation as manager, which was accepted. Howard Wills was selected to succeed Mr. Goodman as manager.

"MAN - WOMAN - MARRIAGE" SCORES TRIUMPH

The most costly and gorgeous superdrama ever seen on the screen of the Alamo and Grand theatres came there yesterday afternoon and last night. It is the much-heralded "Man - Woman - Marriage" starring Dorothy Phillips, directed by Allen Holubar and presented by Albert A. Kaufman. It is an Associated First National Pictures, Inc., attraction.

Careful estimate is given to all the wonder pictures of the past in proclaiming this new production as the crowning brilliant in the diadem of the screen.

From the gorgeous retrospective scenes depicting the progress of woman and the world to the stirring heights and depths of the modern story, Dorothy Phillips must be acknowledged as an accomplished artist of the shadow stage.

Next to Miss Phillips' splendid portrayal of the difficult role must be credited Allen Holubar's story and masterful direction. The star's interpretation of the various emotions called forth excites not only admiration for her own talent but for the genius of Allen Holubar, who wrote and directed this screen epic.

To choose a modern woman for the modern type, was a difficult problem. Each woman is different problem. Each woman is different yet identical. Holubar selected for Miss Dorothy Phillips' modern role the part of the wife of a Senator and put her into the maelstrom of frenzied politics and set her a guide over the destiny of her husband.

Four different women of four widely separate eras of evolution; each typifying the times she lived in, yet, each alike.

CRAPSHOOTERS ARRESTED

Fifteen men, ten colored and five white were arrested near Hutchison, Sunday by Sheriff M. Peale Collier, Deputy Sheriff James Gibson, and Patrolmen Robert Lusk and Roy Turner, charged with conducting a game of craps. The men when discovered by the officers operating the game of "African dominoes" on the side of the L. & N. tracks near Hutchison, made a wild scramble to get away, but were stopped by shots fired in the air from the officers' revolvers.

PARISIANS IN AUTO ACCIDENT.

An accident that might have had more serious results occurred Sunday night about two miles from Falmouth, in which a party of Paris people were more or less injured.

Mr. and Mrs. David Feld, Mr. and Mrs. Jack Cohan and Sol Feld, the latter driving were returning to Paris from Cincinnati, where they had attended the Pushin-Friedman wedding. When near a bad curve about two miles from Falmouth, a Ford rapidly approached from the opposite direction. In trying to pass the Ford young Feld made too short a turn, the machine being thrown against a telephone pole, over an embankment, turning over twice. The machine was badly damaged. News of the accident was sent into Falmouth and then to Paris. Davis' ambulance and Dr. W. C. Ussery went to the scene, bringing the family to Paris. Examination disclosed Mr. Feld to have three broken ribs and other injuries, while the other members of the party were more or less bruised and cut. Young Feld escaped injury.

DETECTIVE INJURED IN AUTO ACCIDENT

As the result of an accident which happened on the Lexington pike near Paris, Sunday, Frank Lynch, of Hamilton, Ohio, is in the Massie Memorial Hospital, in Paris, with a fractured skull.

Lynch, who is a member of the Hamilton branch of the National Detective Bureau, of Columbus, O., in a Reo car, driven by F. J. Thornton, of Independence, Ky., was en route from Covington to Mt. Sterling, where Lynch was to make an arrest and take his prisoner back to Hamilton. In some manner the car swerved, striking a telephone pole.

Lynch was badly hurt, and was brought to the Massie Hospital. Another man, whose identity was not revealed, was brought to the county jail charged with being drunk. Thornton was permitted to proceed to his home. Lynch's condition is reported as being very critical.

OTHER CITIES ADOPTING MILK ORDINANCES

Paris seems to have "started something" when the City Council adopted a stringent ordinance regulating milk and dairy products and prescribing certain tests of cows for tuberculosis. Maysville has adopted an ordinance patterned after the one adopted by Paris. The ordinance is an extremely lengthy one, and covers every phase of the question. Other towns in the Bluegrass section are considering similar ordinances in the interest of sanitary regulation of milk and dairy products.

TAVERN ACCOUNT BOOK FOUND IN FLEMING

George W. Wilt, of Flemingsburg, has found an old account book in a house purchased from the estate of Henry Paxon, which was used by Joe Davis as a tavern, during the years 1808-9-10. The charges are chiefly in shillings and pence. Many of the prominent early settlers of that county are among those against whom charges were made. Nearly all the charges are for whisky, in pints or quarts, mugs of cider and bowls of eggnog. Whisky was charged at 9c a pint.

ANOTHER SUIT ATTACKS TRADING STAMPS LAW

A suit was filed in Kenton County Circuit Court by the Sperry-Hutchinson Company, New York City, against Orie S. Ware, commonwealth Attorney, and Edward J. Tracy, County Attorney of Kenton county, in which the complainant company seeks to enjoin enforcement of a law enacted by the last legislature which prohibits merchants, firms and corporations from giving trading stamps under a discount system to purchasers of merchandise, and makes it an offense for persons to receive the stamps in Kentucky. The company also seeks to attack the constitutionality of the law, and, on the execution of \$1,000 bond by the complainants, Judge Tracy issued a temporary restraining order to prevent Ware and Tracy from enforcing the provision of the law against the defendants, pending a hearing of the suit.

Ohio Farmer Declares He Was Almost Physical Wreck and Feared He Would Have To Quit Work, But Tanlac Brought Entire Relief.

"If it hadn't been for Tanlac I would have had to give up farming long ago," declared Albert Xander, R. F. D. 7, Springfield, Ohio.

"I don't believe a person could be in worse condition than I was and still be out of bed. My liver was out of order, I had absolutely no appetite, and my stomach was so upset I couldn't eat a thing without suffering distress afterwards. While plowing I had to stop and rest at every round, I was so run down, and I had dizzy spells when everything seemed to swim around.

"I am feeling like a different man since taking Tanlac. I eat like a wood-chopper and can plow all day long. Tanlac always will get a good recommendation from me."

Tanlac is sold by all good druggists. (adv)

"RETIRED FARMERS" FIND TIME HANGS HEAVY

Retired farmers who move to town seldom find city life "what it is cracked up to be," according to W. D. Nicholls, head of the farm economics department of the College of Agriculture.

Farm management studies which have been made in Kentucky point out this fact as one of the most detrimental to country life, he said. "Such movement often fails to bring contentment and pleasure anticipated and the retired farmer in most cases is not satisfied with the change. Time hangs heavily on his hands and living expenses are higher than he anticipated. He then feels it necessary to exact the last penny that can be expected from the tenant on his farm thereby making the latter dissatisfied and destroying the incentive of the renter to keep up the land and take care of the improvements."

These facts are significant in working out satisfactory leasing contracts between landlords and tenants in Kentucky where more than one-third of the farms are rented, according to Mr. Nicholls.

"It has been found that it often is better for the landlord to retire on his own farm, renting the land out on a share basis to a younger, more active man," he continued. "In this way, the owner continues to take an interest in the management problems and can give the benefit of his long farming experience and trained judgment in buying and selling."

THE PROPER COURSE

Information of Priceless Value to Every Paris Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Paris citizen who used them and who publicly tells of the benefit derived?

Mrs. A. L. Burley, 329 Eighth street, Paris, says: "I have used Doan's Kidney Pills a few times and from the benefit obtained I can say they are a good reliable remedy. When my kidneys have acted irregularly or my back has been weak and lame I have always found that a box or so of Doan's Kidney Pills which I got at Ardery's Drug Store relieves the complaint quickly."

The above statement was given November 10, 1916, and on November 12, 1920, Mrs. Burley said: "I haven't changed my opinion of Doan's Kidney Pills and recommend them just as highly to-day as when I gave my former statement."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

—A marriage license was issued from the office of County Clerk Pearce Paton, to Miss Louise Moreland, daughter of Ben Moreland, of near North Middletown, and Oscar W. Haverley, of Cincinnati.

BOURNE—DOUGLAS

—Mr. and Mrs. J. W. Bourne, of Danville, have announced the engagement of their daughter, Miss Katherine Bourne, to Mr. A. V. Douglas, of Paris. The wedding will take place at the home of the bride in Danville the latter part of the month. Miss Bourne, who is a popular member of Danville's younger set, was formerly a student at the Kentucky College for Women, and is a very attractive young woman. Mr. Douglas is engaged in the automobile business in Paris.

MORELAND—WAVERLEY

—The marriage of Miss Louise Moreland, of North Middletown, this county, and Oscar W. Waverley, of Cincinnati, was solemnized Saturday afternoon by County Judge George Batteredton, in his private office in the court house. The bride is a daughter of Mr. and Mrs. Ben Moreland, of North Middletown, and the bridegroom is a son of Mr. and Mrs. William Waverley, of Ohio. He gave his occupation as student. Following the ceremony Mr. and Mrs. Waverley returned to Cincinnati.

GRAY—WILLIAMS

—The following announcement cards have been issued: "Mr. and Mrs. James E. Gray announce the marriage of their daughter, Allen Russell Howe, to Mr. Idris Wynne Williams, on Tuesday, June the sixth, nineteen hundred and twenty-two, Chicago, Illinois." The bride is a former Paris girl, having been born and reared here. She is a graduate of Bourbon College, and later received a business training in a Lexington school. For several years she has held a responsible position in Chicago, where she met Mr. Williams, a young business man of that city.

Mr. and Mrs. Williams have been guests for several days of the latter's aunt, Mrs. George Erlon, and Mr. Erlon, on Cypress street. They have been guests of honor at several social functions given by Paris and Bourbon county friends.

PUSHIN—FRIEDMAN

—The wedding of Mr. Eli Friedman, son of Mr. and Mrs. B. Friedman, of Paris, and Miss Nettie Pushin, of Bowling Green, was solemnized in the ball room of the Gibson Hotel, in Cincinnati, Sunday afternoon at 6:30 o'clock. The ceremony was performed by Dr. Phillips, of Cincinnati. After the ceremony an elaborate wedding supper was served to about one hundred and fifty guests. After the ceremony Mr. and Mrs. Friedman left for a bridal trip, keeping their destination a secret. On their return they will be at home to their friends at the home of the groom's parents, in this city.

The groom is a well-known and popular young business man of Paris, and is a graduate of the Paris High School and the University of Kentucky, where he recently received the degree of Master of Science. Miss Pushin is a daughter of one of the most prominent families of Bowling Green, and is very popular and attractive.

RANSON—ORR

—Wedding bells pealed merrily, figuratively speaking, at Richwood in Boone county at four o'clock yesterday afternoon, when the marriage of Dr. James A. Orr, of Paris, and Miss Lavalette Ranson, daughter of Mrs. George William Ranson, of Richwood, was celebrated. The ceremony was performed by Rev. Everett Bedinger, only the members of the families being present to witness the ceremony.

BEDFORD—ROGERS

—The marriage of Miss Henrietta Bedford, to Mr. Fielding Grant Rogers, both of Bourbon county, took place Saturday afternoon at the home of the bride's parents, Mr. and Mrs. Matthew Hume Bedford, on High street. The ceremony was performed by Rev. T. S. Smylie, pastor of the Paris Presbyterian church, who read the Episcopal marriage service.

The bride entered leaning on the arm of her father. She wore a gown of white Spanish lace with a veil of tulle with point applica lace coronet, and carried a shower bouquet of bride's roses and valley lilies. The home was beautifully decorated with smilax and summer flowers, and the ceremony was performed under an arch of garden flowers.

Miss Ella Brown and Miss Nancy Loveland, of Lexington, were the bridesmaids, Mr. Hawey Prewitt, of Mt. Sterling, was Mr. Rogers' best man, and Mr. Richard P. Thomas, also of Mt. Sterling, was the groomsmen. The ribbon bearers were three cousins of the bride, Misses Nell Clay, Rebecca Payne and Maria Gay Payne. Little Miss Dorothy Braden, of Kansas City, Mo., was ring bearer.

Prior to the ceremony Misses Josephine Evans, of Lebanon, and Miriam Seegar, of Elizabethtown, sang, "I Love You Truly," and for the entrance of the bridal party Maurice Clark, violin, accompanied at the piano by Miss Elizabeth Hayes, of Winchester, played the wedding march.

About one hundred and fifty guests were present for the wedding and the reception that followed. The ices were moulded in nuptial designs and the bonbons and cakes carried out the plan. Mr. and Mrs. Rogers left Saturday night for a northern bridal trip, after which they will be at home on the bridegroom's farm, near Paris.

The bride is an unusually handsome and popular young woman, a graduate of the University of Kentucky, where she received her degree in the Home Economic department last week. Mr. Rogers is a member of one of the oldest and most prominent families in Bourbon county. He is an alumnus of Purdue University.

AT GRAND AND ALAMO "AFTER THE SHOW"

A fascinating story of stage life is William de Mille's latest Paramount picture production, "After the Show," which comes to The Alamo and Grand Thursday afternoon and night. Jack Holt, Lila Lee and Charles Ogle, the featured players appear to fine advantage in their respective roles.

Mr. Holt as a millionaire "angel" of a musical comedy of the chorus of which Lila Lee is a member, and Mr. Ogle as an old disappointed stage door keeper, contribute much to the enjoyableness of the picture. There are many dramatic and pathetic scenes artistically portrayed, while the production as a whole is fully up to the high artistic de Mille standard. It rivets on attention and it is in every respect a production of the highest grade.

DEATHS

Life Is But A Brief Span, A Debt That All Must Pay

BARNES

—William Barnes, aged sixty, son of the late Rev. George O. Barnes, the beloved evangelist, died recently at his home in Ft. Meyers, Fla., where he had resided many years.

Mr. Barnes will be remembered by many Paris people as having taken part in the revival meetings conducted here by his father. He possessed a fine baritone voice and assisted his sister, Miss Marie Barnes, in the musical part of the services. He was a man of fine character and had a large circle of friends here who sincerely regret to learn of his death.

SADLER

—Robert Sadler, aged sixty, died at his home on Vine street, yesterday afternoon, after a short illness of blood poisoning. A few days ago Mr. Sadler, while operating a rip-saw at the establishment of Martin O'Neal, where he had been employed several years, lost three fingers of one hand by amputation. Blood poisoning followed, causing his death.

Mr. Sadler was a woodworker by trade, and was well-known to the people of Paris. He is survived by his widow and five sons, Thomas, William, Nelson, Charles and Robert Sadler, Jr., all of Paris.

The funeral will be held at four o'clock Wednesday afternoon, at the residence on Vine street, with services conducted by Rev. Arthur Fox, pastor of the Baptist church. The interment will follow on the family lot in the Paris Cemetery.

NIPPERT

—Mrs. Rebecca Shannon Nippert, aged about seventy, died at the Massie Memorial Hospital, in this city, at 5:30 o'clock Sunday morning, after an illness of about three weeks. Several days ago Mrs. Nippert underwent an operation at the Hospital, from the effects of which she never fully recovered.

Mrs. Nippert was a daughter of the late Michael and Ellen Shannon, pioneer residents of Bourbon county, and was the widow of Phil Nippert, Sr., for years one of the most prominent business men of Paris. She had lived practically all her life in Paris and Bourbon county.

Mrs. Nippert is survived by one brother, Thomas Shannon, of Louisville, and a niece and nephew, also residing in Louisville.

The funeral will be held at the Church of The Annunciation, at nine o'clock this (Tuesday) morning, with services conducted by Rev. Father William O'Hare. The interment will take place in the Paris Cemetery beside the body of her husband. The pall-bearers will be Thomas A'Hern, Dr. F. P. Campbell, M. J. Lavin, A. J. Fee, Jas. M. O'Brien and Fred Thomas.

COURT NEWS

On a warrant charging him with perjury Dick English was arrested by Sheriff M. Peale Collier and Deputy Sheriff R. M. Gilkey. The affidavit alleged that English gave false testimony Monday in a case in which he appeared as a witness by testifying that he had secured liquor on a prescription given him by Dr. J. H. Sebree, colored physician of Paris. Sebree denied giving English a prescription and requested the newspapers to give publicity to his denial. English was taken before County Judge George Batterson, who held him to the grand jury in the sum of \$500. Bond was signed by Cash Crow, and English was released from custody.

NEWS OF THE SCHOOLS

According to the tentative program sent out recently by the State Department of Education, the Paris City Schools stand next to those of Louisville, or second in the State, in the development of vocational trades classes. The Paris City School has this year conducted night classes in mechanical drawing for railroad shop men, furniture repairing, commercial law, bookkeeping, shorthand, dressmaking and millinery, and an extensive program is being worked out for the coming year.

The summer school, which began Monday of last week, is being well patronized. This will be a regular part of the City School system, and will be free to all students living in this city. Regular tuition rates are to be charged students residing outside of Paris. The objects of the course are threefold: First, to give any student who has failed in any subject a chance to make it up; second, to give those students who passed their course, but were weak in the work, an opportunity to review the work, and be better prepared to go on with their advanced work of the next year; third, to allow a few ambitious strong students an opportunity to finish their work sooner than otherwise.

MUST HAVE TRUCK MIRRORS

Under a new law which became effective Friday, every "commercial motor vehicle" of more than one-half ton capacity—in other words, practically every truck—operated in the State is required to be equipped with a mirror or reflector attached so that the driver will have at all times a view of the road at the rear on a line parallel to the side of his truck.

A single pair of sparrows and a nest of young ones consume about 3,000 insects a week.

JAIL DELIVERY PREVENTED

"Bunch" Mitchell, colored, confined in the Paris jail, on grand larceny charges, tried to make his escape from the jail Saturday night by the usual expedient of heating the stone in his cell window and pouring water on it to make it crumble, a proceeding that has become a continuous performance at the jail. Turnkey Charles Thomas smelled smoke, and upon investigating, found that Mitchell had sawed the shackles off his feet and started a fire at the base of the limestone partition. He was removed to another cell, and made secure against further attempts.

TOBACCO MEN TO MEET IN RICHMOND, VA.

Delegates from every tobacco producing section of the United States, it has been announced, will gather in Richmond, Va., June 29, and 30 and July 1, for the annual convention of the Tobacco Association of the United States. Production and marketing problems will be the chief subjects for discussion.

Interests of other nations in Kentucky tobacco was evidenced in visits to the Experiment Station of Dr. B. T. Palm, of Sumatra, and Dr. R. G. Stapledon, of Aberystwyth, Wales. They were taken to several bluegrass farms, visiting Man o' War and points of interest in the city and county. Dr. Palm, who is on the staff of the Sumatra Experiment Station, was much interested in tobacco culture, and Dr. Stapledon, of the Welsh Plant Breeding Station, sought information on the curing and treatment of bluegrass seed.
